Web Announcement 1950

## Updated Provider Enrollment Status Descriptions

Effective August 19, 2019, the provider enrollment status descriptions have been updated in the Online Provider Enrollment (OPE) tool. The following table shows the updated enrollment statuses and the description of each status:

Enrollment Status as seen in OPE	Description of the Enrollment Status
Application Pending Review	Pending Review
Waiting for Approval	In Review
Denied	Denied
Enrollment Completed – Approved	Enrolled or Update Approved
Incomplete	Not Submitted or Corrections Required
Agency Review Required	In Review
Ready for Review	In Review
Under Review	In Review
Submitted	Submitted and in Queue to be Reviewed
Rejected by Reviewer	Rejected Due to Duplicate Application or Update
Awaiting Additional Authorizations	In Review

Please refer to the [Online Provider Enrollment User Manual Chapter 1 Getting Started](#) for more information.
